1 Introduction

This document is the mapping volume (AP2a) of the second Amendment of Provisions Environmental Statement (ES). It displays the Amendments and the additional revised project works and impacts mapping for each route window in which an amendment is sought. This volume should be read in conjunction with the corresponding ES text volume (Amendment of Provisions Environmental Statement, May 2006 (AP2)) and the mapping volume (Volume 4) of the ES submitted to Parliament in February 2005 (hereafter referred to as 'the main ES').
