

## Eastbourne Terrace closures - May 2018

We would like to give you further updates of the next dates when the road will be closed to vehicular traffic .

Crossrail's contractor is planning to install equipment for the ventilation systems over the weekends of 4/5 and 12/13 May. These operations will require the closure of Eastbourne Terrace in order for a mobile crane to stand on the road.

During the weekend nights of 12/13 May changes will be made to the welfare units situated on Chilworth Street.

Installation of steelwork for the new station entrance (the Crossrail Arch) will also be carried out over the weekends of 12/13, 19/20 and 26/27 May using a large mobile crane standing on Eastbourne Terrace.

Crossrail's contractor will also be installing a large number of pre-cast concrete stair and wall units using a crane standing on Eastbourne Terrace. To reduce the impact on bus services these works will be carried out during weekday nights (22:00 – 05:00 Monday – Saturday), starting on 21 May and continuing to 20 July. At the same time further steelwork will be installed for the Crossrail Arch.

These works have been agreed with both Westminster City Council and London Buses.

### Eastbourne Terrace road closures

**07:00** Saturday 5 May – **18:00** Sunday 6 May

**07:00** Saturday 12 May – **18:00** Sunday 13 May

**07:00** Saturday 19 May – **18:00** Sunday 20 May

**07:00** Saturday 26 May – **18:00** Sunday 27 May

**22:00** Monday 21 May – **05:00** Saturday 20 July (nights)

### Bus Diversions:

**332** – towards Brent Park, will be diverted along Westbourne Terrace

### Bus Stops

205 – The first and last bus stop on Cleveland Terrace will continue in use as normal. Buses will use Westbourne Terrace to and from the stand.

### Duration of work

- 07:00 Saturday 5 – 18:00 Sunday 6 May (fan installation)
- 07:00 Saturday 12 – 18:00 Sunday 13 May (fan and steelwork installation)
- 22:00 – 05:00 Saturday 12 and Sunday 13 May (welfare unit)
- 07:00 Saturday 19 – 18:00 Sunday 20 May (steelwork installation)
- 07:00 Saturday 26 – 18:00 – Sunday 27 May (steelwork installation)
- 22:00 Monday 21 May – 05:00 Saturday 20 July each night (staircase installation)

### What to expect

- Road closure between Praed Street and Cleveland Terrace
- Bus diversions in place
- Lifting and transport of plant and equipment
- Pedestrian access to the pavement and properties along Eastbourne Terrace maintained at all times

### What we will do

- Monitor noise and dust and keep levels to a minimum using appropriate methods
- Reopen the road as soon as possible
- Seek opportunities to accelerate works, reducing disruption
